2018 ABOVE AND BEYOND WINNER – IRV FOLTZ

Irv Foltz has been selected by his peers as the winner of the 2018 Above and Beyond Award.

According to peer nomination, Foltz has demonstrated safety regiment and has put it into practice daily. He has done the job that many others are hesitant to do...he has stopped work on many occasions to ensure the safety of his co-workers.

One of the nominees wrote on his form, "Irv also has no problem standing up for any safety issue that may arise, and for that, he has my total support and admiration!"

There were 3 other nominations this year for the Award. The other nominations included Brian Brunat, John McCarrell and Brian Hayes.

Please see attached letter of appreciation from Irv to the company!

Irv, thank you for your leadership!

Shelley McCrory Retires after 20 Years

Earlier this year, Shelley McCrory made the decision to retire at the end of 2018.

Shelley was hired in 1998, just four years after the company was founded. She has been at GCI longer than almost everyone!

Shelley was honored at the GCI Holiday party a few weeks ago!

Good luck to you Shelley and thank you for everything!
